This year Bay Scholars has an unprecedented opportunity to elevate our impact like never before. **We are excited to share that John A. Sobrato has generously committed to a \$2.5 million challenge grant, supporting Bay Scholars' growth. This extraordinary grant is designed to match contributions from all new donors, as well as current donors who increase their annual gifts.** This not only offers a unique opportunity to amplify your impact but also serves as a powerful testament to the significance and value of our work. We hope you seize the opportunity to increase your support of Bay Scholars.
