A Conversation on Education and Opportunity

Honoring The Legacy Of Clint Reilly

Please join us for a very special Giving Thanks by Giving Back Luncheon as we honor the extraordinary life and legacy of Bay Scholars founder Clint Reilly—and look ahead to the future he envisioned.

Clint believed deeply in the power of education to change the trajectory of a young person's life. Today, his vision lives on in hundreds of Bay Scholars—and in our commitment to opening doors of opportunity for generations to come.

Honoring A Legacy. Inspiring What's Next.
